

## **CLARKE TELECOM'S TEMPORARY SOLUTIONS ARE HERE TO STAY**

Clarke Telecom, the UK's largest provider of temporary solutions to the mobile communications industry, has had another hectic year for its temporary site management.

Installations have been successfully implemented at some of the UK's biggest events. From Glastonbury to the FA Cup Final at the new Wembley Stadium, the Labour Party Conference to the Henley Regatta; all have benefited from the extra mobile communication network coverage that Clarke Telecom can provide using a fleet of mobile Base Transceiver Stations (BTS's) - responsible for transmitting and receiving radio signals from the mobile phone.

Other events covered by Clarke Telecom this year include:

- Notting Hill carnival
- Leeds Carling festival
- V festival
- T in the park
- Isle of Wight festival
- Badminton horse trials
- Epton, Aintree, Ascot and Cheltenham races
- Goodwood
- Wimbledon County shows
- Conservative Party conference
