

### **Clarke Energy Exhibiting at UK AD & Biogas 2011**

Visit Clarke Energy on Stand 39 at UK AD & Biogas 2011 (6-7 July 2011, NEC)

Clarke Energy offers a one-stop-shop for your biogas engine requirements including supply, engineering, installation, commissioning with G59 support and long term maintenance of your asset. Clarke Energy provides a reliable and accountable local service, with all installations being completed in line with UK regulations.

Clarke Energy is a founding member of the Anaerobic Digestion and Biogas Association and will be exhibiting, for a second year, at UK AD & Biogas 2011, the only trade show in the UK dedicated exclusively to anaerobic digestion and biogas.

2010-11 has been a successful year for Clarke Energy in the biogas sector having secured orders with BiogenGreenfinch, PDM Group, Thames Water, GWE Biogas, MT Energie, William Grants Distilleries, Harper Adams University College and MW Group (Biffa's West Sussex mechanical biological treatment plant).

Organised by ADBA, the trade body for the anaerobic digestion and biogas industry, this two day event includes over 130 exhibitors, a comprehensive two day conference plus free practical workshops and seminars. All under one roof - it is the perfect place to obtain expert information, contacts and new business opportunities in AD and biogas.

Clarke Energy is the authorised distributor and service partner for GE Energy's Jenbacher gas engine in the UK, Ireland and in ten territories
