Green Energy Solutions

CLARKE ENERGY OPEN NEW OFFICE IN FRANCE

Clarke Energy Ltd are continuing their success in the UK, Australia, New Zealand and India by opening their first office, as the exclusive distributors for GE Jenbacher, in France. The acquisition of the GE Jenbacher distributorship was completed in February 2004 and represents another major investment by the Clarke Group.

Clarke Energy's experience in the gas engine, renewable energy sector illustrates a clear benefit to the French market. Clarke Energy's ability to work through projects from delivery to full turnkey installations represents a comprehensive package benefiting all involved.

Managing Director, Didier Lartigue, heads the new French office, situated at Aix en Provence in the south of France. Didier is supported by an experienced team of time served Sales and Project engineers in addition to the UK personnel from Head Office.

Note:-

Clarke Energy Limited is a leading worldwide Energy Systems Company offering a wide range of green power generation solutions with offices in Australia, France, India, Nigeria, New Zealand and UK. Clarke Energy employs over 150 people worldwide and operates as part of the Clarke Group.
