Green Energy Solutions

### NEW COMMUNICATIONS DIRECTOR APPOINTED

Clarke Energy has strengthened its management team with the appointment of John Munnery in the key role of Communications Director.

John has worked closely with Clarke Energy over the past few years in his role as Chief Corporate Manager at the National Westminster Bank in St. Helens, and has a thorough understanding of its culture and ambitions.

Managing Director, Jim Clarke commented, "An essential element in the recent success of our company has been the close internal working relationships at all levels. John will now be responsible for co-ordinating internal communications. He brings excellent credentials to this important new role and his contribution to the future success of the company will be considerable".

Clarke Energy, based in Knowsley, Merseyside, is the UK's foremost supplier of gas powered generators for landfill and power generation projects.
